COMMENTS ON STATEMENT FOR REASONS FOR ALLOWANCE

Mail Stop ISSUE FEE  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The examiner's statements of reasons for allowance quote particular limitations from selected claims. The examiner states the following regarding the particular limitations: "it is these limitations expressed in each of these claims and not found, taught, or suggested in the prior art of record, that makes these claims allowable over the prior art." Applicants generally agree with the examiner's assessment that the limitations are not taught or suggested in the art of record. The prior art of record also, however, fails to teach or suggest the combination of steps recited in the method and model claims, and the combination of elements in the apparatus claims. Additional

reasons for the allowability of the claims will also be well understood by artisans upon review of the record.

Respectfully submitted,

GREER, BURNS & CRAIN, LTD.
